### 10. Summary of services:

The programme consultant is strategically responsible for Child health from 0 - 18 years as defined by the national service framework for children and young people across the West Midlands region. I work closely with the PCT and local Authority Children commissioners to ensure services are in place and meet policy requirements such as the Child Health Strategy. I am also responsible for ensuring child health services meet the every child matters outcomes and supporting the Lord Darzi Children Clinical pathway recommendations.

Key areas of work include safeguarding Children, Child and Adolescent Mental health Services, Disabled Children, Adolescent health and Partnership working.

I attend the Local Safeguarding Children Boards and ensure PCTs are meeting the safeguarding statutory requirements.
